SSCI

NOTE FOR THE DIRECTOR

SUBJECT: Bill Miller's request for a meeting with you

1. Bill Miller, Staff Director of the SSCI called yesterday to talk about a number of things. Among them, he wishes to get together with you at your convenience, implying that he would like to come out here. He stated that this had been a practice in the past.

2. I stated that I knew that you would be happy to meet with him and that it might be a good idea to arrange a breakfast or lunch involving him, Senator Bayh, you and me, if we can do it after the first of the year. He replied that Senator Bayh would be back in town shortly after the New Year.

3. If it meets with your approval, I would like to invite Senator Bayh and Bill Miller to lunch or breakfast as some convenient time next week. I do not believe you should be meeting with a Congressional staff director unaccompanied by his principal.
